

Dear WCA Families,

As we plan for the upcoming year at WCA we are very encouraged by our growth. In an effort to diligently manage scholarships, we are asking that anyone enrolled for 2025-2026 who would like to apply for scholarship complete and return the attached form no later than Friday, March 7. If you have previously received a scholarship, please re-apply.

It is the goal of WCA's scholarship committee to be reasonable stewards of scholarship funds and to meet the needs of as many families as we can. Scholarships will be granted up to \$1,200 per student. We will communicate the scholarship amount granted to your family as soon as possible. Thank you for prayerfully considering your application.

Blessings,
WCA Leadership

Scholarship Policy and Application

Friend of Watermark Classical Academy,

Watermark Classical Academy is a self-supporting ministry and non-profit organization. We operate solely from tuition income and fundraising. We are dependent on timely tuition payments in order to support our budget which includes but is not limited to: teacher salaries, curriculum and supply expenses, monthly administrative expenses, and maintenance and care of the building. WCA scholarships are based on individual needs and are limited to a maximum amount of \$1,200 per student. Scholarships are granted through determination and review of The Scholarship Advisory Committee.

No scholarships will be granted without verification of financial need which includes a completed scholarship application and copy of most recent W2 or 1099 form. The Scholarship Advisory Committee may find it necessary to request further information for determination of applicant needs.

No scholarship will be approved orally or in advance of the completed application process. Written notification will be provided to all who have applied for scholarship. A completed application does not ensure a granted scholarship.

If you have any further questions, please contact: admin@watermarkclassical.com.

Grace and Peace,

WCA Leadership
