

Dear WCA Parents,

It is hard to believe enrollment season for WCA is upon us. We will open enrollment for current students on January 3, 2022. The steps for re-enrollment are as follows:

1. Complete the attached form. To submit electronically, press the "Submit" button (which will open your email application) or save it and email to [admissions@watermarkclassical.com](mailto:admissions@watermarkclassical.com). You may also print it and submit a physical copy.
2. Submit a non-refundable \$100 registration fee to Watermark Classical Academy per child.
  - a. The registration fee has been reduced to \$100 for current families. This is a tuition deposit, which will leave the remaining balance for the 2022-2023 school year. (Tuition has not been finalized because of variable costs with space; tuition will be between \$4,100 and \$4,300.) If you are enrolling more than one student, including a new Kindergartener, the registration fee is \$100 per child.
  - b. Early registration will not be complete until both the form and check have been submitted.
3. Families of incoming Kindergarten students will be contacted in April regarding evaluation.
4. Please understand the WCA board of directors and teachers will determine the grade level your student will be placed in for 2022-2023. If retention is recommended, we will notify you by April.
5. Enrollment will open to the broader public on January 31, 2022 and available openings will be filled based on the application and interviews.

Please do not hesitate to reach out to us with any questions or concerns. We look forward to continuing our partnership with existing WCA families throughout the 2022-2023 school year.

Blessings,  
WCA Leadership
